Secretary :

FRANCIS GOODACRE, The Liverpool Hospital for Cancer and
Skin Diseases, 1 Myrtle Street, Liverpool.

Almoner and Clerk : Mrs. F. WILLIAMS.

Telephone Royal 2184.

The Liverpool Hospital for Cancer and Skin Diseases.

ANNUAL REPORT

BY THE COMMITTEE OF MANAGEMENT TO THE GOVERNORS.

LADIES AND GENTLEMEN,

The Committee of Management begs to present its
Sixty-fifth Annual Report and Statement of Accounts.

The Hospital Register show the following results :—

Attendances of	1925.	1926.	1927.
Out-patients	28,336...	27,880...	31,531
New Out-patients	4,750...	4,428...	4,336
In-Patients	293...	187...	265
Supplied with extra Medicine	6,031...	6,490...	8,508

Another year of good work amongst the poor of the
city has to be recorded.

The average number of beds occupied per day during
the year was 19, while the average stay of each patient
was slightly over 24 days.

The Subscription List shows an increase for the
year, and the Committee of Management tender their
sincere thanks to those who by their generosity permit
the work of the Hospital to be carried on.

The Honorary Treasurer reports that during the year he has received Legacies from the late Mrs. Agnes Warlow of £895, the late Mr. J. Gilbertson, to endow a bed, £1,000, the late Capt. Burgess £200, and £100 from estate of late Miss Frances Skuce, also £35 has been generously contributed by the Newsroom Sweep Committee, £71 by Mr. Leo Wright (as result of Cricket Match at Oxtun, on Sept. 1st)., and £821 has been given as the result of an Entertainment in "Crane Hall," Liverpool, for which our special thanks are due to Mr. Reg. Lees, Mr. F. Blumer and Mr. Mason Guttridge.

During the year the Hospital has been honoured by the Hon. Sir Arthur Stanley accepting the position of President and the addition to the Staff of Dr. R. W. MacKenna, M.A., M.D. (Lecturer in Dermatology at the University), as Honorary Consulting Dermatologist.

The X-Ray Department is working successfully under Dr. R. E. Roberts, M.D., D.M.R.E. (Honorary Consulting Radiologist), assisted by Dr. D. Ramage, M.D., D.M.R.E., it is hoped that in the near future considerable developments will be carried out in connection with this work, and also in the extended use of Radium.

The problem of providing adequate accommodation for both in-patients and out-patients has become exceedingly acute, and the Committee hopes that as a result of the Joint Appeal which has been issued under the auspices of The British Empire Cancer Campaign it will be found possible to so increase the usefulness of the Hospital as to include a Radium Institute for which there is a big demand in Liverpool and District.

The Committee of Management has agreed that when a sufficient stock of Radium has been acquired it shall be at the service of all the Hospitals and Medical Practitioners of the district. (The various Hospitals it is agreed shall be represented on the Medical Board that controls the use of the Radium, &c.)

Special mention might be made of the work done for the Hospital in the collection of funds by some of our Honorary Local Secretaries, Mrs. K. Scott, St. Helens (St. Annes District), Miss Dorothy Appleton, Eccleston Park, Prescott District, Mrs. H. Brown, St. Helens, (Eccleston and Denton's Green District), Mr. C. C. Bowes, (Wavertree and Toxteth Park District), and we are grateful to Messrs. L. H. Goodwin and J. H. Gerard for their successful efforts in the collection of " silver paper."

We ask for more friends to volunteer to act as Hon. Local Secretaries. The duties are not heavy, but are very helpful to the Hospital.

The Accounts of the Hon. Treasurer of the LIVERPOOL HOSPITAL for CANCER and SKIN DISEASES.
Dr. for the year ending 31st December, 1927.

LIVERPOOL, 20th February, 1928.

ANNUAL MEETING.

The Annual Meeting was held in the Committee-room of the Town Hall, on Tuesday, April 3rd.

At the outset COLONEL LLOYD said : I regret to say we have received word from the Lord Mayor, that owing to the ceremony of breaking through in the Tunnel from Liverpool to Birkenhead, she will not be able to preside, it being impossible for her to get back in time. She voiced her regrets at being unable to be with us. I will ask you to elect a Chairman.

Colonel Lloyd was elected to take the chair.

THE CHAIRMAN : Ladies and gentlemen, you have all got copies of the report in your hands, and I propose that they be taken as read. Is that agreed ?

The meeting agreed to this course.

THE CHAIRMAN : In regard to the report, no doubt you will have noticed the great increase we have had this year in out-patients. It is the largest number since the Hospital was opened, viz., 31,500 against 27,800 last year, an increase of 3,700. In the last three or four years I have appealed to the public to help us with funds to enlarge our Out-patients' Departments. When I made the appeal the numbers were about 25,000 or 26,000 yearly, but in the past year we have had 31,500. As we were short of accommodation then you can imagine what difficulty our staff has had to accommodate those waiting patients. We have, as you know, a

certain amount in our Building Fund, but it is no use patching with pieces on the Hospital. Our idea is to get enough money in so as to be able to rebuild the Out-patients' Department, and to put on top of the Out-patients' Department, new Radiologists' rooms, light rooms and a new Operating Theatre. We have also to look to the future and build accommodation for Radium. Last year we had a meeting of the leading surgeons and physicians in Liverpool to ask their advice as to how, and in what way, we could help the poor and distressed suffering from this terrible disease better than we are doing. And the general opinion amongst us—it was quite unanimous—was that if we could form, or open a Radium Institute in connection with our Hospital it would be of great benefit to Liverpool. No doubt many of you are aware that there is no Radium to speak of in Liverpool, only about £1,200 worth, which is just a little speck. The medical practitioners at the Hospital have to send Radium cases to the Manchester Institute, and that, I think, is a disgrace to Liverpool. I have just been notified by one of our surgeons that there is a patient in the Hospital who is wanting Radium treatment, and we have had to apply to Manchester to send this patient there. It does not look very nice for the Cancer Hospital of Liverpool to have to apply to Manchester Radium Institute to send our patients there. After our meeting with these leading surgeons and physicians our Committee decided that we would appeal to the public for funds to procure Radium. We were launching our appeal when the Lord Mayor called me up and told me it was very awkward for two appeals to be made at the same time, as the Empire Cancer Research Committee had launched their appeal in Liverpool and Lancashire. After many meetings we decided to give way, and for giving way we are getting some small participation in the collection as compensation. We are stopping our appeal for Radium until January 1st, although it is so urgently needed in the city. In the balance sheet you will notice a very interesting item. Last year we owed the bank over £9,000, but through the generosity of some of our

personal friends and donors we have been able, although treating more patients this year, to reduce that amount to £7,000, a decrease of £2,000. That is a little ray of sunshine for the Hospital, and I sincerely hope that in this coming year our friends will rally round us and help us not only to build our new addition to the Hospital, but also to get rid of this millstone of debt that we have round our necks. I beg to propose that the Annual Report be adopted.

Mr. W. GRACIE seconded, and the resolution was carried unanimously.

THE CHAIRMAN : The next item on the Agenda is the Statement of Accounts.

Mr. A. W. MANSSUER (of Messrs. Langton and MacConnal) : I have in my possession a statement that Mr. Plant, had he been here, would no doubt have read to you himself. I will read it to you and thus deputise for Mr. Plant.

The accounts for the past year are in print before you and speak for themselves. My remarks therefore will be confined to one or two explanations. The subscriptions have fallen a little from the previous year, but donations show a very gratifying increase, largely due to the special appeal we made at our last Annual Meeting, and to the posters and the short campaign of intensive advertising which was conducted in the early part of last year. The income from in-patients also shows a welcome increase, while the increase in income from out-patients is accounted for by the attendances, which have risen from 27,880 in 1926 to 31,531 in 1927, and during the year the Hospital has benefited by £851 from the Lord Mayor's Special Appeal, and legacies amounting to £2,195 15s. 4d. (including the Gilbertson Legacy of £1,000) have been received. The various headings of expenditure show an increase over 1926. This is

accounted for generally because the Hospital was closed against in-patients for four months in 1926 during alterations, but one item ought to be specially referred to.

In the item "Drugs, Instruments, X-Ray, &c., £1,415 5s. 0d.," an amount of £863 is included for overhauling, purchasing new apparatus and bringing up to-date the X-Ray Department, which is now thoroughly equipped in every way. The increase in administration charges is accounted for very largely by the cost of the appeal and special advertising, the response to which I have already referred to, and during the year, War Bonds of £52 10s. 0d. were redeemed and the proceeds brought into general accounts, but £1,012 13s. 0d. has been capitalised and invested in War Loan in accordance with the Gilbertson Legacy, which has been expressed as for the endowment of a bed, and the overdraft on the War Loan Account amounting to £1,106 15s. 5d. has been wiped out. The net result is that the accumulated deficit has been reduced from £9,327 4s. 10d. to £7,618 1s. 0d. Often it has been my lot as Hon. Treasurer to place before you statements showing income much below the expenditure, unfortunately an all too common experience in the history of anyone filling this position in a voluntary Hospital. To-day it is my pleasure to report a credit balance on the year, and I personally, as well as for the Committee, thank all who have in any way contributed to the result. At the same time I assure you that this mark of your confidence has placed the Committee under a further deep sense of obligation to strain every effort to meet the needs of such a Hospital as ours in this community. The call for such a Hospital is unfortunately increasing rapidly, and the Committee is constantly confronted by the urgent necessity of a large expenditure, particularly in the Out-patients' Department, to adapt it adequately to meet the demands being made upon it, and also to make such structural re-arrangements as will render the building suitable for use as a Radium Institute, which would be available for

use by the whole of the medical men in the City and district.

Satisfactory as the year has been from one point of view, we are not yet in a position to launch out on these very necessary alterations, the plans for which have been before the Committee for some time. We therefore appeal confidently to our fellow citizens of all classes for a continuation of their help in the work in which we are engaged—which primarily is administering to the needs of our growing lists of applicants—and for their help to enable us to take our place in what we are profoundly convinced will be the ultimate triumph of research over this terrible scourge of Cancer.

Turning to the Building Fund Account you will see that during the year donations allocated and Bank interest amounting to £1491 18s. 1d. have been added and the sum of £638 15s. 2d., balance of contract already entered into, paid during the year. This fund now stands at £8,430 10s. 11d.”

Those are Mr. Plant’s remarks, and I now have pleasure in moving: That the accounts as presented be adopted.

Mr. TUNNINGTON: I have very much pleasure in seconding that resolution.

The resolution was adopted.

THE CHAIRMAN: Nominations for the Committee of Management have been received in accordance with Rule 10, and I declare those named on the circular convening the meeting duly elected:—

Messrs. J. D. Brunt, J. Willett Bruce, G. H. Court, W. Gracie, J. Gardler, W. P. Horsburgh, James Johnstone, G. Lomax, J. E. Lloyd, W. J. McMillin, O. G. Plant, W. H. Perry, W. Ramsden and H. Roberts.

Mr. McMILLIN : I have great pleasure in proposing that the following be appointed Senior Medical Officers for the ensuing year :—Dr. Mitchell, Mr. Heaney and Dr. Elizabeth Hunt. May I add with regard to Dr. Elizabeth Hunt that we had a vacancy until quite recently, and Dr. Elizabeth Hunt is proposed on the unanimous recommendation of the special Committee appointed by the Board of Management.

Mr. W. R. LLOYD : In the absence of Mr. Court, I have much pleasure in seconding.

The resolution was carried unanimously.

Mr. GRACIE : Mr. Chairman, ladies and gentlemen, I have great pleasure in proposing a vote of thanks to donors and subscribers to this Hospital. I may say they have supported us very nobly during the past year, and we do hope they will support us still more nobly in the ensuing one. I can assure them that any money they favour us with will be well applied.

Mr. HEANEY : I have great pleasure in seconding that vote of thanks.

The vote was carried with acclamation.

Mr. W. R. LLOYD : It gives me great pleasure to move that a vote of thanks be accorded to the Medical Officers and to the Matron and Nursing Staff of the Hospital. You all know that the Medical Officers give their time and advice gratuitously and their services are given as a labour of love. I am sure you will agree with me that our very best thanks are due to them for services rendered. In addition, I have also to move a vote of thanks to the Matron and Nursing Staff of the Hospital.

From what I am given to understand, the Matron and Nursing Staff have given of their very best during the past year. In their case also it is a labour of love.

Mr. McMILLIN : I have great pleasure in seconding Mr. Lloyd's resolution.

The votes of thanks were accorded with acclamation.

Dr. SWANSON : I have very great pleasure in proposing a vote of thanks to the Honorary Auditors, and that they be re-elected. I hear that their work is increasing somewhat and I hope it may continue to do so for a very long time.

THE CHAIRMAN : I have great pleasure in seconding that resolution. They have given their time and services gratuitously for a great many years. They have seen us in very low water, and have seen the ups and downs of the hospital, and I am sure, now that we have got our feet on the ladder, that they will have a more pleasant report to present to us next year.

The resolution was carried with acclamation.

Mr. MANSSUER : I thank you on behalf of my firm for the confidence you have reposed on us. It has been our pleasure to do this work, and will continue to be our pleasure while you need us.

Mr. GRACIE : I have great pleasure in proposing a vote of thanks to the Chairman for the very able way in which he has presided over this meeting to-day.

Mr. McMILLIN seconded, and the resolution was carried with acclamation.

THE CHAIRMAN : I thank you very much for your vote of thanks. I regret very much that this Tunnel Ceremony has upset our arrangements for the Lord Mayor to preside, because I should like to have thanked her for the way she helped me in regard to the difficult questions as to the two appeals in Liverpool at the same time.

This is the only Hospital that specializes solely in Cancer and Skin Diseases in this part of the Country.

Patients are received from **all parts** of West Lancashire, Cheshire, North Wales and the Isle of Man.

The Hospital makes a special feature of every kind of X-Ray and Radium treatment.

There were 38,745 attendances at the Hospital in 1927.

*Donations of Old Linen, Magazines, Books, &c., are
thankfully received and would be gladly sent for upon
receipt of a Post Card by the Secretary.*

FORM OF BEQUEST.

*Persons who are disposed to contribute by Will to this
Institution are respectfully requested to do so
in the following manner :—*

“ I bequeath to THE LIVERPOOL HOSPITAL FOR
CANCER AND SKIN DISEASES the sum of £.....
(free of all death duties) to be applicable for the general
purposes of such Hospital, and I declare that the receipt
of the Treasurer, or other proper officer for the time
being of such Hospital, shall be a sufficient discharge for
the same.”

*The Cost of Naming and Endowing a Bed in
perpetuity is £1000.*

*Donors of Five Hundred Pounds and upwards, may
during their lifetime have the nomination of one free bed.*

EXTRACTS FROM RULES.

OUT-DOOR PATIENTS.

Patients wishing to be placed on the Out-door list must attend on week days at the Hospital between the hours of 1-30 and 2-30 o'clock p.m.

The Committee reserve the right to charge a small fee of 6d. to prevent the abuse of charity, and of 9d. to those wishing priority of attendance owing to claims on their time.

INDOOR PATIENTS.

Patients admitted to the Public Wards are expected to contribute according to their means.

No incurable cases shall be admitted.

The MEDICAL OFFICERS attend at the Hospital daily, as under :—

DR. MITCHELL	...	...	}	MONDAY.
DR. WATERS	...	...		THURSDAY.
DR. ELIZABETH HUNT	...	...	}	TUESDAY.
DR. GARDINER	...	...		FRIDAY.
MR. F. STRONG HEANEY	...	...	}	WEDNESDAY.
DR. POND	...	...		SATURDAY.

X-RAY DEPARTMENT.

DR. R. ROBERTS	...	}	MONDAY AND
DR. D. RAMAGE	...		THURSDAY, 9-45.

How can I help?

Friends willing to act as Hon. Local Secretaries
can—

1. Give a Subscription.
2. Give a Donation.
3. Use a Collecting Box.
4. Use a Collecting Card.
5. Buy and use Hospital Post Cards
6d. per packet of 12.
6. Buy and use Hospital Stamps
6d. per packet of 50
7. Collect "Silver" Paper.
8. Organize an Entertainment, Sale,
Competition, &c.
9. Distribute amongst friends Hospital Reports, &c.

Full Particulars from
The Secretary, The Cancer Hospital, 1 Myrtle Street, Liverpool.

NOTE—"Silver Paper," &c., of all kinds, will
be gladly received on behalf of the Hospital by
Mr. J. H. Gerard, 62 Liverpool Road, Crosby.

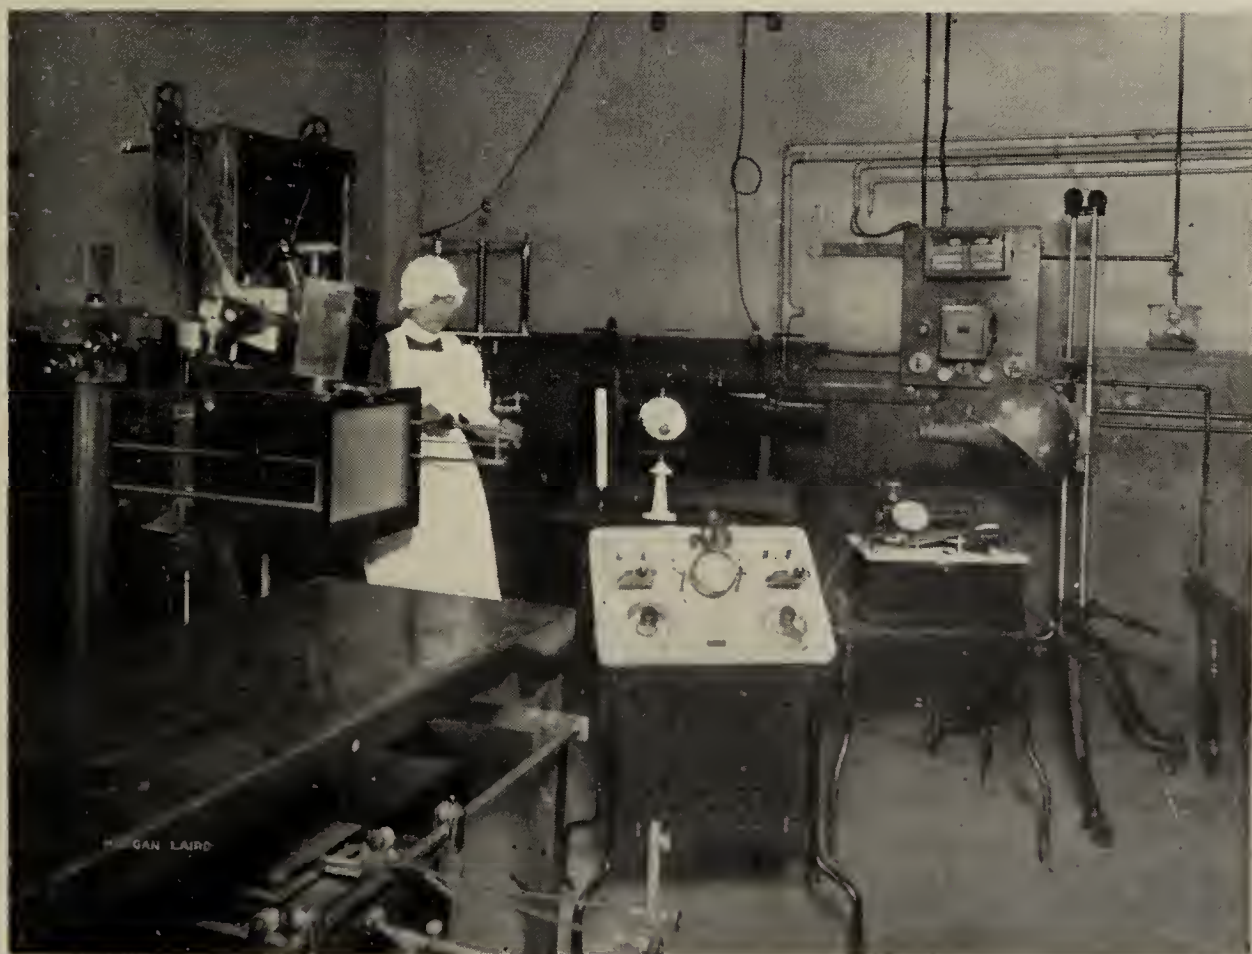

IMPORTANT:—This is the only Hospital that specialises solely
in Cancer and Skin Diseases in this part of the
country.
